## **Dear Nevada small businesses,**

This is a challenging time and my office is here to help as we navigate this pandemic. As a member of the U.S. Senate Committee on Small Business & Entrepreneurship and as Nevada's small businesses work to weather this economic storm, my office is here to help share resources and information so all of our small businesses can succeed. In this guide, we've compiled resources that may be helpful.

For more resources, visit my website's small business assistance page at:  
[rosen.senate.gov/COVID-19-small-business-assistance](https://rosen.senate.gov/COVID-19-small-business-assistance)

If you need additional small business assistance with a federal agency, please email [SmallBusiness@rosen.senate.gov](mailto:SmallBusiness@rosen.senate.gov) or call my office at 702-388-0205 or 775-337-0110.

**– Senator Jacky Rosen**

# Programs for Small Businesses

---

There are programs for loans and assistance to help small businesses weather COVID-19. Find a summary of them below.

---

**The SBA's Economic Injury Disaster Loan (EIDL)** program provides small businesses with working capital loans of up to \$2 million to help overcome the temporary loss of revenue due to COVID-19. These loans can be used to pay fixed debts, payroll, accounts payable, or other bills that cannot be paid. The interest rate on these loans are 3.75 percent for small businesses and 2.75 percent for private, non-profit organizations without credit available elsewhere. Small Businesses and private, non-profit organizations with credit available elsewhere are not eligible to apply for this disaster loan. The maximum term on a loan is 30 years. Terms are determined on a case-by-case basis, based upon each borrower's ability to repay.

---

**The Emergency Economic Injury Grants** will provide an emergency advance of up to \$10,000 to small businesses and private non-profits harmed by COVID-19 within three days of applying for an SBA Economic Injury Disaster Loan (EIDL). To access the advance, you first need to apply for an EIDL and then request the advance. The advance does not need to be repaid under any circumstance, and may be used to keep employees on payroll, to pay for sick leave, meet increased production costs due to supply chain disruptions, or pay business obligations, including debts, rent and mortgage payments.

---

**The Paycheck Protection Program (PPP)** will provide cash-flow assistance through 100 percent federally guaranteed loans to employers who maintain their payroll during this emergency. If employers maintain their payroll, the loans will be forgiven, which will help workers remain employed, as well as help affected small businesses and our economy regain stability quicker after the crisis. PPP has many helpful features, such as forgiveness of up to 8 weeks of payroll based on employee retention and salary levels, no SBA fees, and at least six months of principal and interest deferral with maximum deferrals of up to a year. Small businesses and other eligible entities will be eligible to apply if they were harmed by COVID-19 between February 15, 2020 and June 30, 2020. This program will be retroactive to February 15, 2020, in order to help bring workers who may have already been laid off back to work. Loans are available through June 30, 2020.

Find FAQs about PPP here:

**Small Business Debt Relief Program:** This program will provide immediate relief to small businesses with non-disaster SBA loans, in particular 7(a), 504, and microloans. Under it, SBA will cover all loan payments on these SBA loans, including principal, interest, and fees, for six months. This relief will also be available to new borrowers who take out loans within six months of the President signing the bill into law.

Find FAQs about small business debt relief here:

---

**Counseling and training:** if you, like many Nevada small business owners, need a business counselor to help guide you through this uncertain time, you can seek guidance from a local Small Business Development Center (SBDC), Women's Business Center (WBC), or SCORE mentorship chapter. These resource partners, and the associations that represent them, will receive additional funds to expand their reach and better support small business owners with counseling and up-to-date information regarding COVID-19. There will soon be a joint platform that consolidates information and resources related to COVID-19 in order to provide consistent, timely information to small businesses. Click [HERE](#) for FAQs about counseling & training.

---

**Contracting:** If you are a government contractor, there are a number of ways that Congress has provided relief and protection for your business. Agencies will be able to modify terms and conditions of a contract and to reimburse contractors at a billing rate of up to 40 hours per week of any paid leave, including sick leave. The contractors eligible are those whose employees or subcontractors cannot perform work on site and cannot telework due to federal facilities closing because of COVID-19. If you need additional assistance, please reach out to your local Small Business Development Center, Women's Business Center, SCORE chapter, or SBA District Office. You should also work with your agency's contracting officer, as well as the agency's Office of Small and Disadvantaged Business Utilization (OSDBU).
